ABOUT FA2023

Dear Sir and Madam,

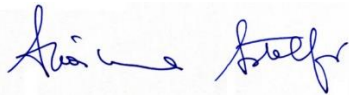

We are pleased to inform you that we are organizing the next Forum Acusticum Congress in Turin (Italy).

This event, jointly organised by the European Acoustics Association (EAA) and the Italian Acoustical Association (AIA), will be held at the Politecnico di Torino from the 11th to the 15th of September 2023.

It is a world's leading event in the area of acoustics and vibration and an important opportunity for scientists and engineers to share their latest research results and exchange ideas on theories, technologies and applications in these fields. A very attractive technical program will be ensured, with 5 keynote lectures and several invited and contributed papers.

We are glad to invite your company to consider supporting this Conference by joining one of the several opportunities hereinafter mentioned.

In return, your company will receive great visibility and public acknowledgements. This event has been promoted all over the world and over 600 participants are expected to attend it.
